#### Proposed Projects

(1) FY 1997 Community Mental Health Services Block Grant Application Voluntary Format and Content—Extension with no change—The Public Health Service Act (42 U.S.C. 300x 1–9) authorizes block grants to States for the purpose of providing community based mental health services. Under the provisions of the law, States may receive allotments only after an application is approved by the Secretary, DHHS. For the FY 1997 CMHS Block Grant cycle, SAMHSA plans to provide States with the same voluntary application format and instructions as in FY 1996. The annual burden estimate is shown below:

No. of respondents	No. of responses per respondent	Avg. burden per response	Total annual burden
59 .....	1 .....	320 hours	18,880 hours.

(2) FY 1997 Substance Abuse Prevention and Treatment Block Grant Application Format—Extension with no change—The Public Health Service Act (42 U.S.C. 300x 21–35 & 51–64) authorizes block grants to States for the purpose of providing substance abuse prevention and treatment services. Under the provisions of the law, States may receive allotments only after an application is submitted and approved by the Secretary, DHHS. For FY 1997 SAPT Block Grant cycle, SAMHSA plans to provide States with the same application forms and instructions as in FY 1996. These forms and instructions will enable States to comply with the requirements of the law and the regulations implementing the law. The annual burden estimate is shown below:

No. of respondents	No. of responses per respondent	Avg. burden per response	Total annual burden
60 .....	1 .....	530 hours	31,800 hours.

(3) Substance Abuse Prevention and Treatment Block Grant—45 CFR Part 96—Extension with no change—This interim final rule provides guidance to States regarding the Substance Abuse Prevention and Treatment Block Grant legislation. The rule implements the reporting and recordkeeping requirements of 42 U.S.C. 300x 21–35 & 51–64 by specifying the content of the States' annual report on and application for block grant funds. SAMHSA plans to request that OMB extend approval of the recordkeeping requirements in the rule with no changes. The annual recordkeeping burden estimate is shown below:

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

### Office of Administration

[Docket No. FR–3950–N–02]

### Notice of Submission of Proposed Information Collection to OMB

**AGENCY:** Office of Administration, HUD.  
**ACTION:** Notice.

**SUMMARY:** The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for emergency review and approval by November 20, 1995, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

**DATES:** The due date for comments is: December 6, 1995.

**ADDRESSES:** Interested persons are invited to submit comments regarding this proposal. Comments must be received within seven (7) days from the date of this Notice. Comments should refer to the proposal by name and should be sent to: Joseph F. Lackey, Jr., HUD Desk Officer, Office of

Management and Budget, New Executive Office Building, Washington, DC 20503.

**FOR FURTHER INFORMATION CONTACT:** Kay F. Weaver, Reports Management Officer, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410, telephone (202) 708–0050. This is not a toll-free number. Copies of available documents submitted to OMB may be obtained from Ms. Weaver.

**SUPPLEMENTARY INFORMATION:** This Notice informs the public that the Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, an information collection package with respect to a proposed “Notice of Application—foreclosure commissioners,” [Docket No. FR–3950–N–01]. HUD seeks to implement the requirement of Section 3754 of the Single Family Mortgage Foreclosure Act of 1994 (the Act), 12 USC 3751 *et seq.*, which requires that single family foreclosure commissioners designated by HUD be “responsible, financially sound, and competent to conduct a foreclosure.”

The Act creates for the Secretary of HUD a non-judicial power of sale with respect to HUD-held mortgages and loans originated under Titles I and II of the National Housing Act, and with respect to loans originated under Section 312 of the Housing Act of 1964. The Act will thus allow HUD to complete foreclosures of such mortgages in about two months, rather than the longer periods—up to two years—obtaining under the laws of the various States, particularly those using a judicial process to foreclose. The longer periods result in substantial unnecessary costs (for management, vandalism, taxes, etc.) to the FHA mortgage insurance funds and, by extension, to the taxpayers. Thus, implementation of the Act, including designation of foreclosure commissioners, will lead to substantial savings to the Department.

The Department has submitted the proposal for the collection of information, as described below, to OMB for review, as required by the Paperwork Reduction Act (44 U.S.C. Chapter 35):

(1) Title of the information collection proposal:

Notice of Application for Designation as Single Family Foreclosure Commissioner

(2) Summary of the collection of information:

Each party seeking designation as a foreclosure commissioner would be

required to submit current information, as listed below:

1. Name
2. Business Address
3. Geographic area in which the applicant wishes to conduct foreclosures. (List only States or areas in States in which the applicant is a resident or is duly authorized to transact business.)

4. If the applicant is not a natural person, the names and business addresses of the people who would actually perform the commissioner's duties.

5. Description of the applicant's experience in conducting mortgage foreclosures or in related activities which would qualify the applicant to serve as a foreclosure commissioner.

6. Evidence of the applicant's financial responsibility.

In place of the above information, any party that has been designated as a foreclosure commissioner for HUD-held multifamily mortgages would be

permitted to submit a letter requesting designation as a foreclosure commissioner for single family mortgages.

(3) description of the need for the information and its proposed use:

The requested information is needed for HUD's selection of foreclosure commissioners who will satisfy the statutory requirements to be "responsible, financially sound, and competent to conduct a foreclosure." The Department is not providing any assurances of confidentiality.

Under the Act, HUD will be able to foreclose on HUD-held Single Family mortgages in about two months instead of the much longer periods—ranging up to two years—currently required under many State laws. The current long periods lead to increased holding costs and vandalism on the properties securing the loans. HUD holds thousands of loans that are ripe for foreclosure.

In view of the substantial economies to be provided by the Act, emergency approval is requested in order to appoint commissioners as soon as the Rule is in effect rather than waiting until the routine clearance process could be completed.

(4) description of the likely respondents, including the estimated number of likely respondents, and proposed frequency of response to the collection of information:

Respondents will be entities with experience in real estate foreclosure procedures. Over a three year period, the estimated number of respondents is approximately 250 in the first year and 50 each year thereafter. The estimated frequency of responses over a three year period is once per HUD region, with very few respondents expected to apply to more than one HUD region.

(5) estimate of the total reporting and recordkeeping burden that will result from the collection of information:

Reporting burden	First year	Each follow- ing year
Number of respondents .....	250	50
Total burden hours (@ 0.5 hour per response) .....	125	25
Total Estimated Burden Hours .....	175 (3 years)	

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: November 7, 1995.
